Google Classroom 101
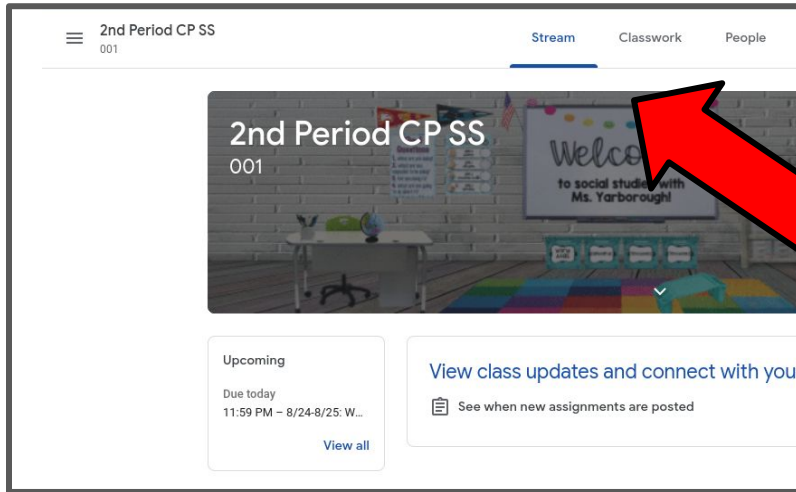

The BEST way to gain access to your student's work in Google Classroom is through their student account. Have them log in and show you- they ALL KNOW HOW TO DO THIS!!

Google Classroom Setup

STREAM: this includes information, material and assignments

CLASSWORK: lists all graded and ungraded classwork posted by the teacher

PEOPLE: contact information for students and the teacher of the class

Checking classwork

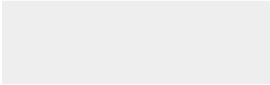

Have your student select the CLASSWORK tab to see the work assigned by the teacher

The due date for each assignment will be listed here

If the assignment icon is BLUE the assignment has not yet been turned in. GRAY represents assignments that HAVE been submitted.
