

June 16, 2021

Dear Laurel Hill Parents,

Thank you so much for making this school year a successful one at Laurel Hill. From online learning to masks and plexiglass to social distancing, our students and teachers have faced challenge after challenge, and for their hard work and dedication, I am incredibly grateful.

Our preliminary data shows that most of our students not only showed growth, but grew by more than a year indicating that they closed the learning gap created by the spring of 2020. Our amazing staff focused on creating unique learning environments that challenged and differentiated instruction for all of our students while adhering to the ever changing COVID-19 protocol. Your incredible children arrived each day ready to give their best effort to each task assigned within the classroom. From day one on our campus, they demonstrated strength, courage, and perseverance. Finally, you showed your support, appreciation, and dedication to our staff and community daily with your warm smiles in the car rider line, positive letters to staff, by reaching out to see what was needed, and practicing the skills learned each day with your children. Without these three groups working together, the success we experienced this year would not have been possible.

Thanks to your generosity, our Boosterthon Fundraiser was the most successful event we have had. Work is already underway with our Loggerhead Advisory Board (LAB) to create more outdoor learning spaces for your students.

The end of the year afforded our students the opportunity to participate in some of the traditions that we all know and enjoy- field day, Palooza, art walks, talent shows, staff summer video, and our first ever silent film. Each of these opportunities allowed our students to engage in creative and unique learning experiences.

As the 2020-2021 school year comes to a close, I want to wish all of our second graders all the best as they move on to third grade! This group of students holds a special place in my heart. My first year as principal at Laurel Hill, many of you were four years old in our Child Development program. I am so proud of all you have accomplished in your 4 short years! To our rising CD, Kindergarten, and 1st grade students, I look forward to seeing your smiling faces for the 2021-2022 school year. I hope each of you spends the summer having fun with your family and friends, and maybe read a book or two! We all know that practice makes perfect!

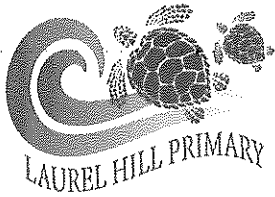

In this packet, you will find the 2021-2022 Charleston County School District calendar, information for school supply lists, and an outline of how instructional fees will be used during the 21-22 school year. In July, we will mail out a postcard with a link to begin paying instructional fees online. In late July or early August, we will finalize our back to school plans. Please visit our website for the most up-to-date information.

Our motto for this school year was "Be Brave. Be Bold. Be a Loggerhead". I feel confident that we modeled this expectation every day this school year. I look forward to this coming school year being the best yet at Laurel Hill.

Sincerely,

Ashley Dorsey  
Principal
