

First-time Login for Student Chromebooks

All students passwords were reset on August 23, 2020

Student usernames have the same format across the district:

First 3 letters of last name first 3 letters of first name last 4 numbers of student ID
Ex: Janelle Smith 9835674 = smijan5674

Student ID can be found on the student's schedule

Student email addresses have the same format across the district:

Username@ccsdschools.com
Ex: smijan5674@ccsdschools.com

Log into device using current student username and password.

Go to MyPortal link in bookmarks or go to <https://myportal.charleston.k12.sc.us/> and login with username as both the username and password. When prompted for the "Old" password, enter your username:

Username: lasfir1234
Password: lasfir1234

**Grade
6-12**

Students will be forced to choose another password: At Northwoods, we suggest using a standard format for student passwords that includes the first initial, last initial, and birthdate of the student.

Please set the new password to the following: First letter of the student's first name (capitalized), First letter of the student's last name, and their birthdate (mmddyy).

Ex: Janelle Smith 03/28/08

Clever Directions

Student Chromebook

Clever is a single sign on portal that connects students to their different resources and content all in one area with just one login.

In a browser, the MyPortal link will be just under the search bar or go to <https://myportal.charleston.k12.sc.us/>

Students will log in with the same credentials they use at school:

Username: first 3 letters of last name first 3 letters of first name last 4 numbers of student ID

Password: Use the password created after logging in the first time. At Northwoods, that should be the First letter of the student's first name (capitalized), First letter of the student's last name, and their birthdate (mmddyy).
