

Murray-LaSaine's Vision

Educating the Whole Child

Our Mission

The mission of Murray-LaSaine is to provide a Montessori education that guides students to their fullest potential by instilling independence, social responsibility, and a lifelong love of learning.

Our Core Values

Community

We seek to educate and support children, families, and the community.

Independence

We encourage children to try new tasks and take responsibility for their own environment.

Curiosity

We follow the child's curiosity and immerse them in areas of interest, teaching them to ask questions and seek further knowledge.

Integrity

We place an emphasis on geography, world cultures, and service to the community, thereby encouraging a strong sense of integrity, character and social justice.

Perseverance

We believe the patience, grit, and confidence children learn by mastering practical life tasks in the youngest years will carry them with the perseverance needed to tackle any of life's challenges.

Growth

We commit to continually improving, enhancing, and refining all aspects of our educational programs and school management in order to responsibly serve the needs of the child.

Peace

We focus on peace in every aspect of our environment.

Inclusivity

We believe that each child, bringing their own unique gifts, is a valued member of our community.
