For Immediate Release July 6, 2023

Academic Magnet High School is delighted to welcome Debra Ryan as our new school secretary.

Having most recently worked as the much loved “problem solver” as the secretary/bookkeeper for North Charleston Creative Arts Elementary, Ms. Ryan will be adjusting her commute by about a quarter of a mile to join our AMHS team.

Ms. Ryan holds degrees in business and marketing from Trident Technical College and she brings over thirty-five years of experience in health care service, public school, private sector, and state agency office management to the role. Her colleagues herald her care, efficiency, organizational prowess, and work-ethic.

She has a professional work history of contributing to some of the most notable public service organizations in our region including the American Cancer Society and the Medical University of South Carolina. Ms. Ryan is not one to seek acclaim, but instead prefers to work in the background to support teams as they accomplish their goals. One of her favorite quotes sums this up well- *“The way to achieve your own success is to be willing to help somebody else get it first.”*

Ms. Ryan was born in Bridgeport, Connecticut, but she has called Charleston home for her adult life. Outside of work she enjoys “retail therapy,” bowling, fishing and spending time with family and friends.

She said, “I’m looking forward to working with and supporting my new AMHS family, which includes all staff, students and their families.”
