

Summer Programs at OGECS

Summer is quickly approaching and it's time to begin thinking about summer plans. The Extended Day crew has put together an amazing program for the summer that you won't want to miss. This year we are offering a summer camp with two specialties every week. Each student gets to choose one specialty per week to enjoy and learn about. This year we are offering:

 **Dessert Creations:** (Wk 1) Students will learn to make no bake desserts and treats. They will also learn kitchen safety and cleaning.

 **Basketball:** (Wk 1) Students will learn the fundamentals of basketball while learning drills, skills and participate in a scrimmage at the end of the week

 **Earth Exploration:** (Wk 2) Each day students will learn about a different science theme and complete coordinating games, crafts, activities, demonstrations and experiments.

 **Tennis:** (Wk 2) During Tennis camp, students will learn the basics and fundamentals of Tennis through lessons, drills and mock matches.

 **STEAM:** (Wk 3) Each day of the week students will focus on a different letter of STEAM and complete coordinating lessons, experiments, projects and activities

 **Dance:** (Wk 3) Dance camp will be full of a lot of fun as students will learn technique throughout the day and learn a group routine as well as create their own for the end of the week.

 **Cultural Exploration:** (Wk 4) Students will get the chance to learn about different cultures through the eyes of an anthropologist. By sampling music, food, games and location study, students will get to immerse themselves in a virtual vacation.

 **Soccer:** (Wk 4) Students will get to learn and execute the basics, drills and learn about the game of soccer. At the end of the week, they will get to play in a game against peers.

 **Music:** (Wk 4) During music camp students will learn the fundamentals of music, about the different sections and instruments as well as write a song. They will learn how to play an instrument that they choose and get creative all week.

Each week students will have three hours of their specialty to learn, practice and do fun projects all in that subject. Groups will be separated by grade level and work on things appropriate for their age and skill level the entire week. At 12p those who are doing the full days of camp will transition to lunch and then continue their day at OG Summer Camp. The rest of the camp day includes reading, outside play, craft, gym games and movie time. We will also assist with summer packets and AR tests during camp.

The Schedule:

Summer Camp runs June 21st - July 23rd and we are **closed** the week of the fourth of July.

Pricing:

	1st Child	2nd Child	3rd Child
Weekly Deposit	100	100	100
Half Day (weekly)	195	185	185
Full Day (weekly)	250	235	235

The cost of attendance is the total price for the entire camp week. **The weekly deposit is included in the price below for Half and Full day attendance.** Upon registration you

will be able to select the weeks that you would like your child to attend as well as their specialty for the week.

For example: For a family of two children that are registered the weekly deposit, which is due two weeks before attendance, will be \$200 total. Plus, the remaining cost of full day attendance, \$285, would be \$485 total for both children to attend camp for any given week in the schedule.

Payment:

Upon registration there is a \$30 fee for the first child and a \$20 fee for any children after that. Weekly deposits will be charged to your account TWO WEEKS before your child's attendance into camp and are due by the Sunday of the camp week they are attending. Remaining payments are due by the time that they leave camp on that Friday. There is a late fee for payments not made by the due dates outlined.

You are able to provide and authorize a card for your payments on the RevTrak Parent Portal. This allows for faster checkout when fees are due. If you would like we can place you on auto charge and we can bill those fees to your account no your behalf.

Registration:

This year the summer registration is online and fully automated. Registration begins on March 1st at 12a and will remain open through the remainder of the school year. Space is limited and all spots are first come first serve. There is a \$30 fee that is due upon registration for all children in the program.

To register you just need to visit <https://ogcs.revtrak.net/rw-extended-day/> and click on Summer Programs. From there you will create an account or log in to your existing RevTrak account. If you are creating an account you will fill out the information for yourself first. After that, you will add any students to your account and register them in the rising grade under "Summer Programs". Once students are registered then you will pick the weeks of attendance. There are two guides below to assist with registration:
