

Exploring STEM Careers

Who: Cadette Girl Scouts & Friends (grades 6 – 8)

***Virtual event**

When: October 3, 2020

Morning Session (9 – 12 pm) *or* Afternoon Session (1 – 4pm)

Join us as we learn about STEM careers from Clemson's Engineering and Computer Science students!

Participants will learn about careers in the fields of Science, Technology, Engineering, and Mathematics (STEM). The event will be held via Zoom and materials will be mailed to the home of each person who registers. Cadettes who attend the event will earn the new Cadette STEM Career Exploration Badge!

*Participants must provide their own device/ access to Zoom Meeting.
