MISSION

The mission of AMHS is to challenge each student, teacher and parent with the high expectations of a rigorous curriculum, and to provide a learning environment that prepares students for college and future careers. Our students are encouraged to be contributing members of the community, to acquire a sense of global responsibility, and to cultivate and uphold respect for cultural diversity.

CURRICULUM

Classes are 90 minutes and meet every other day. Students are provided a curriculum enriched with challenging, independent and cooperative experiences. All students take courses at the Honors and Advanced Placement levels. Additionally, all students complete the AP Capstone program ensuring their preparation for future research work in college and beyond.

VISION

AMHS offers a new direction in academic excellence and is open to academically talented students from Charleston County. The school offers advanced instruction stressing higher order thinking skills, interdisciplinary studies and a liberal arts core curriculum. Students conduct research in specialized areas of interest culminating with an AP Capstone opportunity. Students have further opportunities to develop leadership skills through extracurricular activities.

"Academic Magnet is unique in that it fosters one of the best possible learning environments available. At Magnet, students push each other to be their best and invest in themselves. Teachers mentor students to unlock their full potential. Overall, Academic Magnet has become my home away from home, as if this is the place I feel most comfortable to be myself!"
