Throughout her career, Ms. Gerideau-Grant has provided exemplary leadership in her varied professional roles both in education and in the private sector. Since leaving the private sector and becoming an educator in 2012, Ms. Gerideau-Grant has taught Career and Technology Education Courses at both the middle and high school level at both Baptist Hill High School and Jerry Zucker Middle School and most recently was the Assistant Administrator at School of the Arts for the 2022-23 school year.

She has been recognized for her exemplary performance in both teaching and leadership roles with a consistent interest in curriculum design and has served on instructional material review panels at the state level (Google Basics Curriculum). She is a trained teacher mentor and teacher evaluator, and is also a nationally recognized educator by the Committee for Children, a curriculum designer (the Second Steps curriculum).
