Sherry M. Eppelsheimer, Ed.D.
Associate Superintendent of the
High School Learning Community

Jacob Perlmutter
Principal

Academic Magnet High School is delighted to welcome Ms. Rhiannon Mansfield as our 2023-24 College and Career Specialist.

Ms. Mansfield joins Academic Magnet High School from Lucy Beckham High School where she has been a Career Specialist for five years. She enjoys working with students to help them identify and achieve their individual career aspirations and goals. At Academic Magnet, Ms. Mansfield will be the school liaison for visiting colleges, universities, and regional industry leaders. Because she is also dedicated to the larger feeder pattern of middle and elementary schools, she will be at Academic Magnet for two days each week in our College and Career Center in room 8125.

Ms. Mansfield has a Bachelors in Psychology from Auburn University and a Masters degree in Rehabilitation Counseling with a certificate in Psychiatric Rehabilitation from the University of South Carolina.

Outside of her responsibilities at AMHS, Ms. Mansfield enjoys her work as the head cheerleading coach at Wando High School. Her four-year-old daughter Lillian is following in her footsteps, already cheering her heart out. Rounding out the family commitment to sports excellence, Ms. Mansfield is married to an instructional designer with a passion for sports photography.

Asked about her thoughts for the upcoming school year she stated, "I love making an impact on students' awareness of careers and helping them navigate their interests. The best feeling is having a student over the moon to tell you about their job shadow and what they have learned."
