A third place award went to Maddy Jolly and Graham Gregory for Debating Technological Issues.

The Technology Student Association (TSA) is a national, non-profit career and technical student organization (CTSO) of students engaged in STEM (science, technology, engineering, and mathematics). Students are given the chance to pursue academic challenges among friends with similar goals and interests. The AMHS students competed in several competitive events this past weekend at the state level.

They all qualified for at least one event at the National Championship that will be held June 26-30 in Orlando, FL. Congratulations and Go Raptors!
