Dear Academic Magnet High School Families,

Except for a few scheduled athletic practices, our campus and school buildings will be closed next week to afford some weary school employees an opportunity to recharge and work remotely. Our administrators remain available by email on Monday and Tuesday. As we move into this 2021 Thanksgiving break, I have a few updates to share.

The prospective student tour dates with Covid19 safety protocols and sign-up links are posted at- [AMHS Student Tours 2021-22](#)

The full AMHS 2021-22 Midterm Exam schedule is posted at- [AMHS Midterms 2021-22](#)

Both of these items are available through our [School Webpage](#) and I want to publicly thank everyone who had a hand in their design or publication.

Congratulations to Ms. Kimberly Zerbst who is now officially our Academic Magnet Assistant Principal! She has already been serving in that capacity as an interim appointment. In less exciting news for Ms. Zerbst, we have re-advertised our vacant Data Clerk position, which means that Ms. Zerbst will continue to serve in that role through the winter break. This is a great example of the unwavering team-first character and “whatever it takes” temperament that make her such a valuable asset to our school community.

Finally, I want to share how deeply grateful I am for the warm welcome that you all have given me as I transitioned into this role as Academic Magnet principal, for the passion and positive energy that your children embody, and for the optimism about the future that our students engender in me. I am even grateful for the problems that we will face together in the future for the purpose that they give me.

Best wishes for a safe, restful, and joyous Thanksgiving break!

Sincerely,

Jacob B. Perlmutter, Principal
