Textbook Adoption

Parents and Community Review

May 6 - May 23

CCSD will adopt instructional materials 8th Grade- SC History for the 2022 – 2023 school year. We would like our parents and community members to provide comments and feedback on the available textbooks. I have provided the link for the 8th grade textbook being considered. Please review all the information on the page and then complete a review form for the book reviewed. You may email your review to cheryl_connelly@charleston.k12.sc.us or evahn_green@charleston.k12.sc.us.

Just add “Textbook Adoption Review” as your subject.

Thank you!
