SUBJECT: Bus stop changes

We have had consistent issues with getting to students at approved bus stops in certain parts of Carolina Park. The cause relates to on street parking. When cars are parked on both sides of the road, our buses cannot get through safely. This will be a long-term issue. In an effort to ensure we can get to students at the approved bus stops, some stops will need to be moved, and certain streets will be no-go zones for school buses.

The following stops will be affected for Cario 213.

- The Spindrift Dr and Bayden Bridge stop will be moved to Banning St and Bayden Bridge Dr.
- The Maidstone and Bryson Lane stop will be moved to Bourne Crossing and Maidston.
- The Maidstone and Gambrill lane stop will be moved to Harriman and Gambrill lane.
- The Shutesbury St and Crane Creek stop will be moved to Carolina Park Blvd and Croaton Crossing.

These changes will take effect on Tuesday, December 5th. The First View system will be updated on Tuesday, December 5th. You should be able to see these stops on that system on Wednesday, December 6th.

Thank you for your time and cooperation. Please feel free to call First Student Transportation for any assistance you may need.
