

JICHS CREDIT RECOVERY STUDENT REGISTRATION SUMMER 2022

In order to be accepted in the Summer Credit Recovery program, the student must be recommended by a guidance counselor, an administrator, or a classroom teacher. All applicants must be pre-approved by the principal.

1. Students will be permitted to register for up to two (2) credits, provided the student:
 - o has previously failed the course; or
 - o received FA (failure due to absences).
 - o has taken the End-of Course Examination if the course requires it. Passing the EOC is not a requirement to be eligible for summer credit recovery.
2. Students will have between **June 20th - July 28th** to complete their Summer Credit Recovery course(s). **Seniors will have between June 6th- July 28th to complete their summer course(s).** Students will be able to work independently on Edgenuity throughout this time period. Edgenuity can be accessed from any computer with internet access (i.e. home or public library). Students will be required to come to the campus twice per week to take assessments and receive in-person help with course content. Any student who needs to check out a Chromebook for summer credit recovery must complete Page 6 of the [Student Mobile Device Responsible Use Agreement](#).
3. **Teachers will be available on campus Tuesdays and Thursdays to provide in-person help with course content. Teachers will be available virtually on Mondays and Wednesdays.**

Mondays and Wednesdays 10:00 AM- 12:00 PM (Virtual)
Tuesdays and Thursdays 9:00 AM - 12:00 PM (On Campus)
4. If a student passes the credit recovery course with a 60 or higher, the passing grade is entered as a "P" as the final grade and transcribed to the numerical grade value of "0". The original failing grade will remain on the transcript as is. Thus, the credit recovery course does not impact the student's GPA. If the student fails a credit recovery course, the grade is entered as a "NP" and transcribed as a "0".

A student wishing to modify his or her GPA must repeat the full course for credit and not seek a credit recovery solution.
5. On a case by case basis, students may receive Principal approval to enroll in a half-credit course for initial credit during Summer 2022 in order to achieve on-time graduation. See your counselor about which half-credit courses will be allowed. If a failing grade is earned during summer school, the grade will appear on the transcript and will impact the student's GPA.
6. Students may establish athletic eligibility, per the SC High School Athletic League, if they meet all requirements for taking a Summer Credit Recovery course and complete the course with a passing grade.
7. **Students who complete graduation requirements during Summer 2022 will be a summer graduate.**

Fees: \$50 per course \$25 per half credit course
