

JCHS CREDIT RECOVERY STUDENT REGISTRATION SUMMER 2024

In order to be accepted in the Summer Credit Recovery program, the student must be recommended by a school counselor, an administrator, or a classroom teacher. All applicants must be pre-approved by the principal.

1. Students will be permitted to register for up to two (2) credits, provided the student:
 - has previously failed the course with a grade of 50-59
 - ★ Students who received a grade of FA are not eligible for Credit Recovery for the course.
 - has taken the End-of Course Examination if the course requires it. Passing the EOC is not a requirement to be eligible for summer credit recovery.
2. Students will have between **June 18th - July 25th** to complete their Summer Credit Recovery course(s). **Seniors will have between June 3rd- July 25th to complete their summer course(s)**. Students will be able to work independently on Edgenuity throughout this time period. Edgenuity can be accessed from any computer with internet access (i.e. home or public library). Students will be required to come to the campus twice per week to take assessments and receive in-person help with course content. All students will use their current school issued device. Any senior who needs to check out a Chromebook for summer credit recovery must complete Page 6 of the [Student Mobile Device Responsible Use Agreement](#).
3. **Teachers will be available on campus Tuesdays and Thursdays to provide in-person help with course content. Teachers will be available virtually on Mondays and Wednesdays.**

Mondays and Wednesdays 10:00 AM- 12:00 PM (Virtual)

Tuesdays and Thursdays 9:00 AM - 12:00 PM (On Campus)

English 2, Algebra 2, and Geometry will receive partial direct instruction during on-campus days from core content teachers.

4. If a student passes the credit recovery course with a 60 or higher, the passing grade is entered as a "P" as the final grade and transcribed to the numerical grade value of "0". The original failing grade will remain on the transcript as is. Thus, the credit recovery course does not impact the student's GPA. If the student fails a credit recovery course, the grade is entered as a "NP" and transcribed as a "0".

A student wishing to modify his or her GPA must repeat the full course for credit and not seek a credit recovery solution.

5. On a case by case basis, students may receive Principal approval to enroll in a course for initial credit during Summer 2024 in order to achieve on-time graduation. See your counselor about which courses will be allowed. If a failing grade is earned during summer school, the grade will appear on the transcript and will impact the student's GPA.
6. Students may establish athletic eligibility, per the SC High School Athletic League, if they meet all requirements for taking a Summer Credit Recovery course and complete the course with a passing grade.
7. **Students who complete graduation requirements during Summer 2024 will be a summer**

graduate. **Fees: \$50 per course \$25 per half credit course**
