Small groups

Small group counseling provides a safe setting where children, along with their peers, can increase their self awareness and improve their cooperation and communication skills. Here are the current small groups:

Circle of Support (Grief)

Newcomers

Regulators (Self-control)

September

Passport to Friendship

This month's guidance lesson is how to be a good friend.

Objectives:

Students will identify best personal friendship qualities

Students will identify qualities he/she looks for in a friend

Students will set 3 goals for being a great friend to others

Community Resource
