

Greetings St. John's Supporters:

On behalf of principal Joyner, AD Campbell, Administration, Coaches, and staff. We would like to thank CCSD and the John's Island community in their support of our Homecoming Fundraiser 2023 on October 20th. The Centennial turnout was fun, successful and the support and donations were overwhelming. Through the support of CCSD and donations from the fundraiser, our athletics department has acquired the following items:

Baseball Pitching Machine

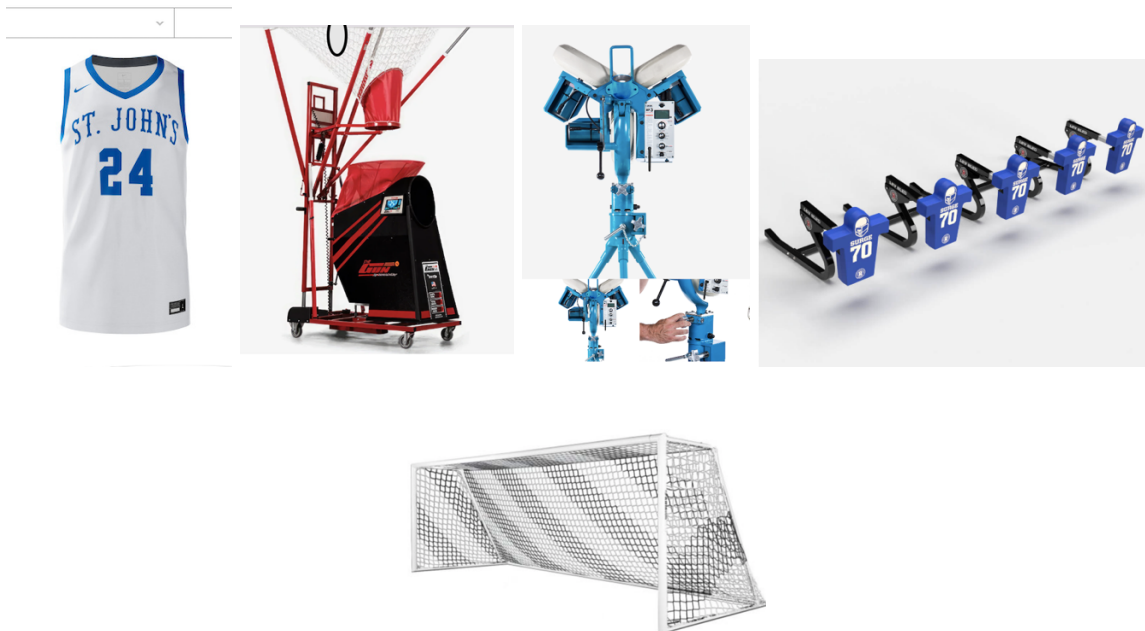

Softball Pitching Machine

5 Man Football Sled

Soccer Goal

Shoot-a-way Basketball Machine

Athletic gear and other essential athletic needs.

We thank you again for your support and look forward to our Homecoming Fundraiser in October 2024 versus Burke High School.
