Laing families, as we approach a busy testing season we wanted to just send a friendly reminder that we need to be vigilant in regards to test security. Please be aware that students may not be in possession of any electronic devices such as cell phones, smart watches, or air pods while testing. If students bring these to school they will either be collected by test proctors or asked to store them away in book bags that will be placed in the front of the classroom. All devices will be returned at the conclusion of a testing session. Thank you in advance for your support.

Fellowship of Christian Athletes (FCA) will meet on Wednesday, April 17, at 7:30 in the cafeteria. Lisey Wilson, Lucy Beckham volleyball player, will be our speaker. You do not have to be an athlete to attend. All students are welcome!
