Dear Simmons-Pinckney Family,

One of our goals for this school year is to ensure that we establish and maintain a great line of constant communication between the school and home.

We also want to make sure that you the families of Simmons-Pinckney Middle School are kept in the know as to what is going on here at the school and your voices are heard when making decisions that will impact you and our scholars.

During this important meeting you will have the opportunity to hear from our New Principal Mrs. Spann, sign up for in person instruction, have any technology issues addressed, and ask questions that you may have.

It is our sincere hope that you will join us by signing up and participating in one of the Annual Title 1 sessions listed above.

As stated on the flyer Due to COVID -19 and social distancing requirements we do have limited space available in each session and would greatly appreciate if you would RSVP in advance for the session of your choice.

Thank you in advance for your participation and making this the Best School Year Ever!

Warmest regards,

Simmons-Pinckney Administration, Faculty, and Staff
