

Each year, public school districts across South Carolina select new textbooks for various courses and grade levels. This year, we are selecting K-5 Health, Art and Music textbook materials. If you would like to peruse samples of the materials under consideration, please click on the links below or visit the MCS Lobby May 21-26. To submit comments about any of the materials, use the link to the Google form. The deadline for comments is May 26.
