

Belle Hall Elementary Birthday Book Club, 2021-2022

What is the Birthday Book Club?

- ★ A book will be purchased for the library media center in honor of your child's birthday.
- ★ Your child's name and picture will appear on the Birthday Book Club display.
- ★ A special nameplate honoring your child will be added to the book.
- ★ Cost: **\$20** per book (you may combine orders for multiple dedications)
- ★ Please complete and return this entire form with and pay via **Revtrak** (<https://bellehallelementary.revtrak.net/>) or check to **BHE**.

How it works:

At the beginning of each month, BBC participants choose the books they want to donate from a special order in the library. Their nameplates are put in the books, and they are the first ones to check out the new books! Years from now, students will check out your child's dedicated book and see his or her name inside the front cover. It's a small way to leave a tangible, lasting contribution at Belle Hall! With your donation, wonderful new books will be selected with careful analysis of the existing library collection and curriculum needs of Belle Hall students. Your support will help to build a great Media Center for all students for years to come.
