

Hi Laurel Hill Primary Families,

Kids Heart Challenge is officially kicking off on March 6<sup>th</sup>!

**We need your help to accomplish our goal of having 100% of our families to know Hands-Only CPR, and you can help us by registering your child and spreading the word.**

You can register online and complete Finn's Mission where you can watch a 2- minute video to know Hands-Only CPR, spot the signs of a stroke and so much more.

**Our classes are competing to see what class can get the most students registered. The top 3 classes with the most students registered will earn their teacher a \$25 Amazon gift card! Stay tuned for special event information and updates!**

Please click on the link below to register your child and raise lifesaving funds!

Thank you for helping our students lead healthy lives through this program!
