

During the 2018-2019 school year, Whitesides continued to implement the Olweus Bully Prevention Program. Whitesides was the first elementary school in CCSD to adopt this research based program that reduces bullying in schools and helps create a safe and positive place where students can learn and reach their unique potential. We are proud that our administration, teachers, parents, and students work together to support this program so our school community continues to take a proactive approach to addressing and preventing a nationwide problem.

The program includes a bully prevention committee, annual student surveys, and school-wide weekly class meetings. Recent student survey results reflect a positive impact on the learning environment and effectiveness in addressing bullying at our school.

The results showed that 96% of our students report they like coming to Whitesides Elementary. We are excited and proud of the progress we are making and are looking forward to continuing to make our school a safe and positive place where our students can reach their unique potential.

In 2018, students took SC READY, SC PASS along with MAP. Our baseline data is enclosed.

	2018	
English	72.4%	
Math	78.6%	

SC PASS Grades 4-5	Percent Met and Exemplary	
	2018	
Social Studies	94.1%	
Science	73.3%	

Parents:

It is with pleasure that this annual report communicates to you the progress of our students. We are truly blessed to have phenomenal teachers, involved and supportive parents, dedicated volunteers and grandparents, local businesses and the superb dedication of our PTA. You provide us the raw product and our talented, devoted, highly qualified staff and faculty deliver a quality instructional program that allows our children to flourish. Your support of our instructional programs and the commitment you make to your child and our school allows Whitesides Elementary School to earn recognition yearly.

By analyzing assessment data, we are able to provide teachers with more specific instructional feedback about students through diagnostic benchmarks known as AimsWeb, Fountas and Pinnell, and the Measure of Academic Progress (MAP) in grades 2-5. We provide STEAM and technology instruction as well as opportunities to participate in fine arts, strings, chorus, news productions, and student government.

Cindy Perez, Principal
