

How do I download the Canvas Parent app on my ANDROID DEVICE?

You can download the Canvas Parent app from the Google Play store onto your Android device. The images in this lesson are shown for a phone display. Unless otherwise noted, tablet displays mirror the same steps.

Step 1: Open Google Play Store

Open your Android device and tap the **Play Store** icon.
Open Search

Step 2: In the app menu, tap the

Search field. Search for App
In the search field, enter **Canvas Parent**. When the app appears, tap the name [2].

Step 3: Install App

Tap the **Install** button.
Download App
Verify app download and installation.

Step 4: Open App

When the app finishes download and installation, access the app immediately by tapping the **Open** button.

Step 5: View App on Android Home Screen.

You can also open the app on your Android home screen by tapping the **Canvas Parent** icon.

How do I create an account in the Canvas Parent app on my Android device?

In the Canvas Parent app, you can create a Canvas observer account to view student course information. If you already have an account, you can [log in to the Parent app](#).

To link yourself to a student, you will need to enter a student-specific pairing code that will link you to the student. Pairing codes are valid for seven days. Students can [generate pairing codes](#) from their User Settings. Depending on institution permissions, admins and instructors may also be able to generate pairing codes. For more information on pairing codes, view the [Pairing Codes - Frequently Asked Questions PDF](#).

Open App

On your mobile device, tap the **Canvas Parent** icon.
To find your institution, tap the **Find School** button.

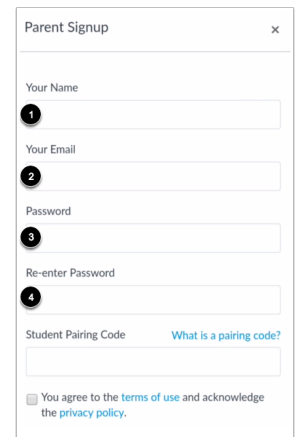

Find Institution

Enter **Charleston County School District - Parents** in the text field [1]. When the full name appears in the search list, tap the name [2].

Create Account

To create an account, tap the **Create Account** link.
Enter your name in the **Your Name** field [1] and email address in the **Your Email** field [2].
Then create a new password by entering it in the **Password** field [3].
Confirm your new password in the **Re-enter Password** field [4].

Enter Pairing Code

Enter the six-digit alphanumeric pairing code for the student you want to link to in the **Student Pairing Code** field.

Notes:

- **During LEAP Week your child left school with their login information and pairing code.**
- Students can [generate pairing codes](#) from their User Settings. Depending on institution permissions, admins and instructors may also be able to generate pairing codes.
- After your account is created, you can [link additional students](#) to your account in the Parent app.

Complete Registration

To complete your registration, agree to the Terms of Use and Privacy Policy [1]. Then tap the **Start Participating** button [2].
