

How do I download the Canvas Parent app on my iOS device (iPhone/iPad)?

Download the Canvas Parent app on your iOS device to engage in your child's education. The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

Step 1: Open App Store

Open your iOS device and tap the **App Store** icon.

Step 2: Search for App

In phone devices, tap the **Search** icon at the bottom of the screen.

In tablet devices, tap the **Search** field at the top of the App Store.

In the search field, type **Canvas Parent** in the search field. Tap the full name when it appears.

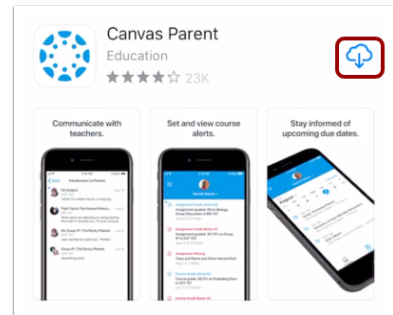

Step 3: Install App

Tap the **Get** button.

Install App

Tap the **Install** button.

Note: The App Store may ask for your App Store password to download the app.

Step 4: Open App

When the app has downloaded and installed onto your iOS device, you can access the app immediately by tapping the **Open** button.

Step 5: View App on iOS Home Screen

You can also open the app on your iOS home screen by tapping the **Canvas Parent** icon.

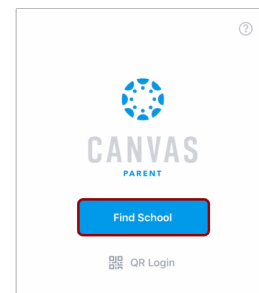

How do I create an account in the Canvas Parent app on my iOS device (iPhone/iPad)?

In the Canvas Parent app, you can create a Canvas observer account to view student course information. If you already have an account, you can [log in to the Parent app](#). To link yourself to a student, you will need to enter a student-specific pairing code that will link you to the student. Pairing codes are valid for seven days. Students can [generate pairing codes](#) from their User Settings. Depending on institution permissions, admins and instructors may also be able to generate pairing codes. For more information on pairing codes, view the [Pairing Codes - Frequently Asked Questions PDF](#).

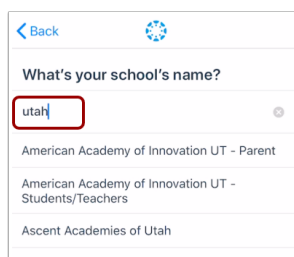

Step 1: Open App

Open your device and tap the **Canvas Parent** icon. To find your institution, tap the **Find School** button.

Step 2: Find Institution

Enter **Charleston County School District - Parents**. When the full name appears in the search list, tap the name.

Step 3: Create Account & Account Credentials

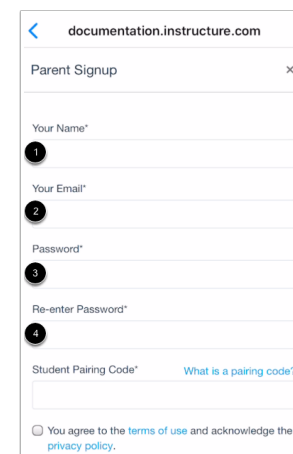

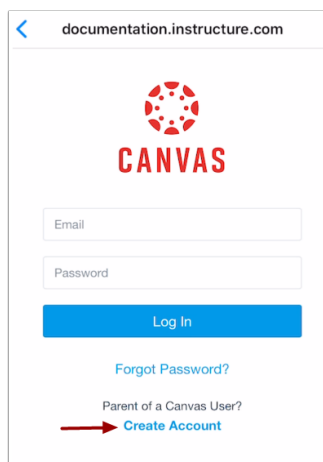

Click Create Account

Enter your name in the **Your Name** field [1]

Enter your email address in the **Your Email** field [2].

Then create a new password by entering it in the **Password** field [3].

Confirm your new password in the **Re-enter Password** field [4].

Step 4: Enter Pairing Code

Enter the six-digit alphanumeric pairing code for the student you want to link to in the **Student Pairing Code** field.

Notes:

- **During LEAP Week your child left school with their login information and pairing code.**
- Students can [generate pairing codes](#) from their User Settings. Depending on institution permissions, admins and instructors may also be able to generate pairing codes.
- After your account is created, you can [link additional students](#) to your account in the Parent app.

Step 5: Complete Registration

To complete your registration, agree to the Terms of Use and Privacy Policy [1]. Then tap the **Start Participating** button [2]. View Parent App.
