Unit 1 Themes Table

Directions: Fill in the Themes to the best of your ability. The Main Idea/Key Points will come from the PowerPoints and Notes you take from part 2 of this assignment. For the Major Themes part you will need to go to Pages 44-53 of the APUSH CED. There will be a Major theme for each portion of the CED. I have already put in the Themes for 1.1 and 1.2 for you. You will have to find the theme for 1.3 through 1.7 on your own. You are to explain how we see each theme in each area of the standard. For example, in 1.2 you need to explain how Geography and the Environment affected Native American societies and give multiple specific examples. Understand not every theme will be present for each standard.

Part 4: 15 points

Directions: Make sure you are using definitions that fit for US History. For example, St. Augustine, Florida is a city in Florida but that is not the proper definition for that vocabulary term. As you will have learned from the PowerPoint, it is the first permanent settlement in the continental United States.

Make sure your definitions are topic appropriate.
