I consent for a Charleston County School District (CCSD) nurse to provide routine and emergency medications following CCSD policy, accident and injury care (Non-IEP nursing services) for my child, release and exchange information about the service provided along with my child's name, date of birth, Medicaid or health insurance number, gender, and my contact information to the Medicaid Agency (Department of Health and Human Services), to bill and receive payment for the nursing services from the Medicaid Agency. I understand that Medicaid reimbursement for Non-IEP nursing services provided by CCSD will not affect any other Medicaid services for which my child is eligible. CCSD will continue to provide Non-IEP nursing services for my child at no cost to me even if I refuse to allow billing for services. Granting consent is voluntary and may be revoked at any time. Revocation is not retroactive. The District will operate under the guidelines of the Family Educational Rights and Privacy Act (FERPA) to ensure confidentiality regarding my child's treatment and provision of Non-IEP nursing services.

Medication/Medical Procedures: (CCSD policy JLCD-Assisting Students with Medications) Any prescription medication or medical procedure (blood sugar check, tube feeding) to be administered at school or school related activities must be accompanied by written orders from a health care practitioner. Limited over-the-counter medications may be administered by the school RN or LPN with parent consent. Complete consent below. All information below is confidential for the school nurse and may be shared on need to know basis for student safety.

Screenings: CCSD school nurses conduct vision, hearing, blood pressure, BMI and dental screenings, as time permits, based on DHEC recommendations. Contact your school nurse if you do not want your child to participate. Head Start and Early Head Start follow program requirements for vision, blood pressure, BMI, dental, lead and developmental screenings.
